12. Details about curricula and Syllabi

The curricula and syllabi of each Programme is as approved by the affiliating M.S.B.T.E. Mumbai. The Academic year start usually in the 1st week of the July and the examination of 1st Semester are in the months of November. The 2nd Semester starts in the 2nd week of December and examination of the 2nd semester are in the months of April.

In the Academic timetable there are 36 hours of teaching per week, which include lecturers, Practical's, tutorials, seminar and project contacts hours. There is a system of continuous evaluation of performance for class tests, practical, seminar, projects etc. There is a system of performance appraisal of faculty by the students. The students have to fill up the feedback from twice in a semester and then the performance of the faculty is evaluated by the academic advisory committee.
